About Branch Urns

Branch Urns is a trusted B2B supplier dedicated exclusively to serving funeral professionals across Canada with beautifully crafted, custom-engraved cremation urns. Based in Whitecourt, Alberta, we combine craftsmanship, personalization, and dependable service to help you provide meaningful memorial products to the families you serve.

What We Offer

- Custom Laser-Engraved Urns
- Every urn we produce can be personalized with names, dates, meaningful text, custom artwork, and even high-quality photo engraving — creating a dignified and lasting tribute.
- Premium Granite & Wood Urns
- We specialize in granite and wood urns, chosen for their durability, beauty, and timeless appeal. These materials engrave with exceptional clarity and elegance.
- Photo Retouching Services
- Families often provide photos that may be older, faded, or damaged. Our design team restores and retouches images to ensure the highest quality engraving results.
- Fast, Reliable Turnaround
- We understand the urgency within funeral service timelines, and we prioritize efficient production and communication so you can serve families without delay.
- Flexible Ordering
- While we offer free shipping on orders of seven urns or more, we are also happy to fulfill smaller orders when needed.

Why Funeral Professionals Choose Branch Urns

1. Exclusively B2B — Our services, product offerings, and pricing are tailored specifically for funeral homes, ensuring dependable inventory, consistency, and professional support.
2. Personalization That Matters — We help you offer families a deeply meaningful keepsake through beautifully engraved portraits, symbols, and custom designs.
3. Quality Craftsmanship — Both our granite and wood urns are crafted with care and precision, suitable for display, niche placement, or burial.
4. Design Support — From layout guidance to detailed photo enhancement, our team assists you at every step to ensure each urn is a fitting tribute.
5. Canadian-Based Partner — Operating from Alberta, we offer reliable service, quick response times, and shipping tailored for Canadian funeral professionals.

GRANITES

Our black granite urns are fashioned with an astonishing polish black finish that combines durability and luxury in one. Its smooth surface is perfect for engraving your images. The Granite Urns are available in single and also Companion sizes.

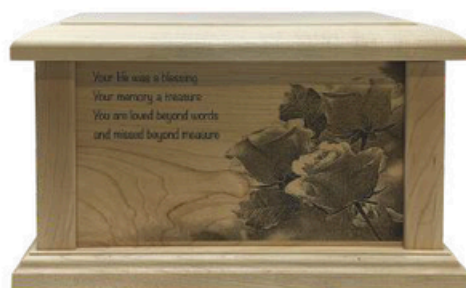

Together Forever

P62L MAPLE

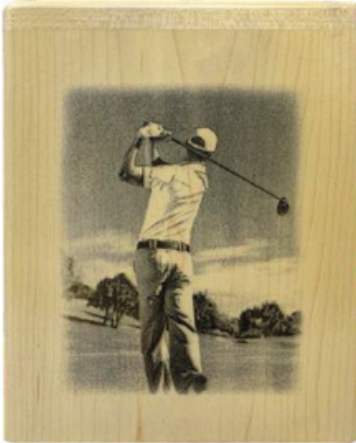

Constructed from solid maple wood, these adult-sized urns have a naturally smooth texture and a light color that makes engraving of landscape portraits feasible.

SML MAPLE

Our high-quality SML collection features upright urns that are constructed from solid maple wood. The maple wood pattern and rounded corners make engraved portraits and texts look exceptionally beautiful against its light colour.
